Cover the Earth in Prayer

For the past twelve years, the global family of the Church of God of Prophecy has been called to start the New Year with a season of prayer and fasting. We know that prayer is the foundation for all our ministry efforts and during these weeks we fully devote ourselves to seeking divine direction. Once again, this year, I am calling on our churches and members to mobilize their efforts and join us in a concentrated time, seeking God's direction for our ministries locally, nationally, and globally. We are seeking God for a deep encounter through prayer, and asking Him to continue to bring revival and renewal to our lives, homes, churches, and nations. For twenty-one days, beginning January sixth, we will unite around specific daily prayer directives.
