

Lay Minister Renewal Instructions for Pastors

ATTENTION PASTORS

It is time for **Lay Ministers** to renew their Lay Minister Certificate. *The 2019 certificate will become void as of January 1, 2020.*

We are asking each Pastor to collect the Certificates from the Lay Ministers at your local church to give your Pastoral Endorsement for renewal, and send both to the State Office. All certificates must be received in the *NC Church of God of Prophecy State Office* **by February 28, 2020**. If for some reason you feel that you cannot endorse a Lay Minister for the 2020 renewal, you must inform the Lay Minister and submit your reason in writing to the State Office.

If a Lay Minister certificate does not receive a pastoral endorsement, if quarterly reporting is not up to date, a completed criminal background check form and \$10.00 processing fee is not included (when applicable), or if the certificate is not mailed by February 28th it will not be considered for renewal until January of the following year. An In-active Lay Minister will need to be set forth in a business conference, be up to date on reporting, complete a criminal background check form including the \$10.00 processing fee, and have a pastoral endorsement in order to receive a new Lay Minister certificate and be taken off the In-active file at the NC Church of God of Prophecy State Office.

CHURCH OF GOD
OF PROPHECY
STATE OFFICE
