Date: December 2, 2020

Dear Church Clerk, Treasurer, Board, Finance Committee and Congregation,

First, I want you to know that I am thankful to God for your servant leadership and ministry service to him and the local congregation. Moreover, I am grateful to know that you are Pastor Passionate. The love, energy and attention that you invest, providing and caring for your pastor is commendable and extremely appreciated. I am sure you know as I do, "you can't beat God's giving", no matter how hard you try, it is impossible to give and not receive from God.

In this mailing you have received a letter from the Church of God of Prophecy North American General Presbyter, Bishop Tim Coalter. His letter provides a foundation and guideline for the 2021 Pastoral Cost of Living Increase as aligned with the International Assembly. That said, your congregation may not be a minimum base paying congregation, and or may not be able to provide the base 2.5% increase. On the other hand, your congregation may be more than able to bless your pastor beyond the base 2.5% Cost of Living Increase, and if so, I encourage you to do so.

Whichever the case, I am confident and encouraged to know that you, the leadership and congregation will do your best to bless your pastor. That's because you are doing it as unto the Lord and not unto man.

So, what can you and the congregation do this year to increase your pastor's compensation package? I am confident that your pastor will be blessed as you continue to excel in love.

Blessings,  
  
Jeffery A. Davis
