Official Memorandum

Dear Pastors, State Staff and Office Personnel, Christian Greetings to you.

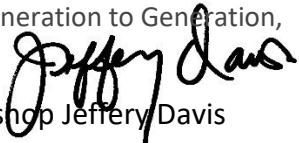

The purpose of this memo is to provide you information regarding our 2021 State Convention. Under normal circumstances we would be moving into this convention season with great anticipation of gathering for a wonderful time of fellowship, preaching, worship and inspiration. However due to the COVID-19 Virus, those plans have been modified. Here are the facts:

- The home of our convention, Hickory Metro Convention Center currently has a capacity (in this COVID-19 season) of 100 persons.
- Ridgecrest, Spillman Auditorium has a capacity of 500 however for July 30th – August 1st, not our scheduled date. Moreover, each attendee would be required to sign a hold harmless waiver. Furthermore, to safeguard the event and guests Ridgecrest policy states that, “there would be no walk ins”; COVID restrictions at Ridgecrest will not allow non-resident guests to attend the convention.
- Finally, there would be a requirement to follow all CDC guidelines.

After prayer and a review of the facts by the Regional Plurality, the Convention Executive Committee, and a conversation with the Camping Board and chairperson, the NCOGOP Board of Directors voted to move forward in 2021 with a Hybrid Virtual State Convention, with a modified schedule. Thereto, I am excited to announce that the North Carolina Bi-Annual State Convention will be held July 23rd – 25th 2021. However, this year we will include special pre-convention and post-convention activities. We can still expect powerful preaching, anointed worship, and inspirational vision. Where possible for fellowship I encourage families to gather and watch the convention together. Moreover, churches that can effectively socially distance might decide to experience the 2021 State Convention together. You will receive more information, programs, etc., about this scheduled event soon.

Mark your calendars and begin praying for our North Carolina 2021 State Convention.
