Official Memorandum

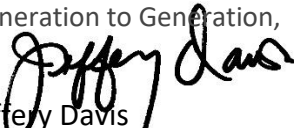

Greeting from the desk of the State Bishop.

The purpose of this memo is to provide you information regarding our 2021 State Convention. Under normal circumstances we would be moving into this convention season with great anticipation of gathering for a wonderful time of fellowship, preaching, worship and inspiration. However due to the COVID-19 Virus, those plans have been modified.

After prayer and a review of the facts, I am excited to announce that the NCOGOP Board of Directors voted to move forward in 2021 with a **Hybrid Virtual State Convention**, July 23rd – 25th 2021. This year's convention will feature special pre-convention and post-convention activities. You can still expect powerful preaching, anointed worship, and inspirational vision. Where possible for fellowship I encourage your family to gather and watch the convention together. Moreover, churches that can effectively socially distance might decide to experience the 2021 State Convention together.

More information is coming. Mark your calendars and begin praying for our North Carolina 2021 State Convention.
